

**Friends**  
of the  
**Birth Centre**  
QUEENSLAND ASSOCIATION INC

Friends of the Birth Centre is a non profit organisation originally established by parents who have birthed at the Royal Women's Hospital Birth Centre in Brisbane. FBC has now grown to encompass the other birth centres across Queensland: Gold Coast, Mackay and Townsville.

A birth centre enables women, considered to be at low risk of complications, the choice of having their health care during pregnancy and birth provided by a team of midwives.

The midwives in the birth centre strive for continuity of care. They respect a woman's right to choose, and retain control over their unique life event – giving birth.

FBC have a strong commitment to supporting birth centre midwives, promoting and supporting informed consumer choice and supporting mothers and families in the community.

Get involved!

Please send your completed membership form to:

Friends of the Birth Centre  
PO Box 93  
Grange  
QLD 4051

Or email your details to:
